

## Discover the Ever-Expanding World of HASC

## A Seamless Interface of Educational & Clinical Services

For over half a century, HASC has been the premier organization addressing the individual needs of children and their families.

Self  
Esteem

HASC addresses all delays & disabilities, from the mild to severe, starting with early intervention at birth through the crucial preschool and school years. Individualized treatment plans are crafted for any child in need of therapy and personalized learning strategies. Parents are included in the process and provided with our distinctive level of support.

The results of our multiple programs are self-evident as children achieve remarkable growth & are amazingly transformed – educationally, emotionally and physically.
